D
I'm shouting all about love
Em
While they treated you like a dog
D F#m Em7 G#m
When you were the one who had made it so clear
D B7 Em7
All those years ago

D
I'm talking all about how to give
Em Em7
They don't act with much honesty
D F#m Em7 G#m
But you point the way to the truth when you say
D B7 Em7
All you need is love

A D Em
Living with good and bad
A D
I always looked up to you
A D Em
Now we're left cold and sad
A7
By someone the devil's best friend
D
Someone who offended all

D
We're living in a bad dream
Em Em7
They've forgotten all about mankind
D F#m Em7 G#m
And you were the one they backed up to the wall
D B7 Em7
All those years ago
D F#m Em7 G#m
You were the one who imagined it all
D B7 Em7
All those years ago

D...
D Em Em7 D F#m Em7 G#m

D B7 Em7
All those years ago

A D Em
Deep in the darkest night
A D
I send out a prayer to you
A D Em
Now in the world of light
A7
Where the spirit free of the lies
D
And all else that we despised

D
They've forgotten all about God
Em Em7
He's the only reason we exist
D F#m Em7 G#m
Yet you were the one that they said was so weird
D B7 Em7
All those years ago
D F#m Em7 G#m
You said it all though not many had ears
D B7 Em7
All those years ago
D F#m Em7 G#m
You had control of our smiles and our tears
D B7 Em7 A
All those years ago
