C* G* Em
Hopeless, everybody says it's just another decay
A7*
Of the soul but I know that I'm a
C* G* Em
Hopeless follower of anything to take me away
A7*
From this hole in the ground, I found it's
C* G* Em
Hopeless clinging to a feeling like a fish on a line

It's sublime to finally be

I was trying far too hard

To be what I thought I should be
D Am7
I was playing wild cards

And seeing things that weren't in front of me
D Am7 G5
Like a little tiger play fighting

I was hurting myself
D Am7 G
Again and again, because I'm

Well, I'm just discovering
I'm living in a different body
Got a little insight into
Everything that's happening to me
Like a little spider
I'm climbing the insurmountable
But I never hold myself accountable, no, no

Cos I'm hopeless
Everybody says I'm hopeless, glad I got a bit of
Hopelessness
You can never bring me down
Even though I got some solid ground
Oh because I love it so
And I think you should know that I'm

Hopeless, everybody says it's just another decay
Of the soul but I know that I'm a
Hopeless follower of anything to take me away
From this hole in the ground, I found it's
Hopeless clinging to a feeling like a fish on a line
It's sublime to finally be
Hopeless, hopeless, hopeless
No more saying that there's no more time
