G
Remember when the days were long
C
And rolled beneath a deep blue sky
G
Didn't have a care in the world
C D
With mommy and daddy standing by
G
When happily ever after fails
C
And we've been poisoned by these fairy tales
G
The lawyers dwell on small details
Em C D
Since daddy had to fly

Em Bm A7s4
But I know a place where we can go
Em C D
That's still untouched by man
Em Bm A7s4
We'll sit and watch the clouds roll by
Em C D
And the tall grass wave in the wind

G D C
You can lay your head back on the ground
Em Bm A7s4
And let your hair fall all around me
G D C
Offer up your best defense
Em Bm A7s4
But this is the end
C D G
This is the end of the innocence

G
O beautiful, for spacious skies
C
But now those skies are threatening
G
They're beating plowshares into swords
C D
For this tired old man that we elected king
G
Armchair warriors often fail
C
And we've been poisoned by these fairy tales
G
The lawyers clean up all details
Em C D
Since daddy had to lie
