A
Friday night I crashed your party
Saturday I said I'm sorry
Sunday came and trashed me out again E7
I was only having fun Bm
Wasn't hurting anyone G
And we all enjoyed the weekend for a change E A

A
I've been stranded in the combat zone
I walked through Bedford Stuy alone
Even rode my motorcycle in the rain E7
And you told me not to drive Bm
But I made it home alive G
So you said that only proves that I'm insane E A

E
You may be right
I may be crazy A
But it just may be a lunatic you're looking for E D F#m A
Turn out the light E
Don't try to save me A
You may be wrong for all I know D E
But you may be right A

A
Remember how I found you there
Alone in your electric chair
I told you dirty jokes until you smiled E7
You were lonely for a man Bm
I said take me as I am G
'Cause you might enjoy some madness for awhile E A

A
Now think of all the years you tried to
Find someone to satisfy you

E7
I might be as crazy as you say

Bm
If I'm crazy then it's true

G
That it's all because of you

E A
And you wouldn't want me any other way

E
You may be right

A
I may be crazy

E D F#m A
But it just may be a lunatic you're looking for

E
It's too late to fight

A
It's too late to change me

D E
You may be wrong for all I know

A
But you may be right

E
You may be right

A
I may be crazy

E D F#m A
But it just may be a lunatic you're looking for

E
Turn out the light

A
Don't try to save me

D E
You may be wrong for all I know

A
But you may be right

You may be wrong but you may be right
You may be wrong but you may be right
